Report on blood donation camp held on 4th of August 2016

Rotary Bangalore attempted to break the Guinness World record of "MOST PEOPLE TO SIGNUP TO DONATE BLOOD IN 8 HOURS-MULTIPLE VENUES". Our Rotaract club was chosen as one the Co-organizer with two venues at K.S. School of Engineering and Management and K.S.Institute Of Technology (KSIT) on the 4th of August 2016. We were able to contribute for the World Record Attempt by collecting 234 units (KSSEM) units and 222(KSIT) units as a part of the attempt.

Congratulations !!

now officially holds
Guinness World Record title for
most people to sign up to donate blood
in 8 hrs-multiple venues

REPORT ON CLEAN AND GREEN HELD ON 1ST SEPTEMBER 2017

Swachh Bharat Abhiyan (SBA) or Clean India Mission was a nation-wide campaign from 2014 to 2019 to clean up the streets, roads and infrastructure of cities, towns, and rural areas. Its objectives included eliminating open defecation through the construction of household-owned and community-owned toilets and establishing an accountable mechanism of monitoring toilet use. Run by the Government of India, the mission aimed to achieve an "open-defecation free" (ODF) India by 2 October 2019, the 150th anniversary of the birth of Gandhi. In view of this KSSEM along with NSS had organized Clean and green event on 1st September 2017 in KSSEM campus. Students and faculty of various departments actively participated and made the event success.

Report on activities conducted during Swacchata Pakhwada celebrations from 1-9-2017 to 15-9-2017

As per the instructions given by AICTE, we at K.S. School of Engineering and Management have observed a fortnight program on spreading the message of cleanliness amongst the higher education students. The program was conducted from 1-9-2017 to 15-9-2017. Following is the glimpse of the activities that were conducted during the Swacchata Pakhwada Celebration.

Day 1: Clean Campus day:

Students were directed to make the campus a plastic free campus. In this regard all the student volunteers involved themselves in picking up all non-biodegradable materials like plastic bottles, chocolate wrappers, wafer rappers, plastic plates and small pieces of plastic papers used for wrapping the eatables. Table 1: gives the glimpse of student's involvement in cleaning the campus.

Table 1: Students involved in cleaning the campus

Day 2: Clean Hostel day:

The clean hostel day was observed on 2-9-2017. Students residing in both the gents hostel and ladies hostel had taken part in the drive and have kept the surroundings clean by segregating the wastes as biodegradable and non biodegradable. Non-bio-degradable materials from the hostel surroundings such as plastic carry bags, pan-masala wrappers, chocolate wrappers, chips packets, milk covers, plastic bottles, metal pieces, and glass pieces was effectively picked and was. The

main biodegradables segregated were the papers and leaves. Table 2: shows the celebrations near the hostel surroundings. Table 2 shows students involving themselves in cleaning the hostel premises

Table 2: Clean Hostel day

Day 3: Green Campus day:

The green campus day was observed on 3-9-2017. As part of Green campus day, Students were involved in planting saplings in the campus. The saplings were brought from the forest office of gnanabharathi. Two saplings of honge and one sapling of Neem were brought. Students collected proper information as to what should be depth to plant the sapling and watering frequency, details on fencing the plant, medicines to be sprayed etc., was sought from the gardener. Table 3: shows faculty students and the security guard involved in planting the saplings in the college campus.

Table 3: Green Campus day

Day 4: Clean Mess day:

Clean mess day was observed on 4-9-2017. All the gents and ladies staying in respective hostels involved themselves in keeping the dining hall clean and tidy. Students were advised on healthy habits to be followed to stay fit. Acts to be performed before consuming food, along with “how not to waste food” was also taught to them. They were also educated on how to consume limited food and stay healthy. On this day Dining tables were kept clean, the plate spills and other wastes on the table were dumped in the respective bins.

Day 5: Essay Contest:

The essay writing contest was organized in the Mechanical Engineering Block from 10.30 am to 11.30 am. A total of fifty six students had taken part in the event. The Essay writing contest was conducted in two different languages namely Kannada and English. Time duration of one hour was allowed for the essay writing contest with a word count restriction to 300. Best paper was selected by the jury members hailing from different departments. Innovative thoughts, cartoons, poems and attractive statements were given importance in the selection of the best paper. Through this contest students have expressed and have brought out different ways of spreading the message of hygiene using the modern technology. Table 4 shows students involved in essay writing contest.

Table 4: Essay writing Contest

Day 6: Cleanest Hostel Room:

Cleanest hostel room contest was made open for both the boys and the girls residing in the hostels. This was observed from 4-9-2017 to 14-7-2017, surprise visits were made to both gents and ladies hostels. The cleanest hostel room was selected on the basis of the ambiance created in the room, arrangement of clothes in the wardrobe, bed making, books arrangement in the book rack, orderly placing of the plates and tumblers, placement of foot wares, absence of cobwebs, neat walls, floors and windows. Through this drive we feel proud to have instilled the habit of keeping one's own surrounding neat and clean. Table 5 is a photo taken from the hostel during cleanest hostel room contest.

Report on Blood Donation Camp held on 4th April 2018

KSSEM organized blood donation camp in association with Lions Club International & BGS Global Hospitals Blood Bank on 4th April 2018. Students, teachers and staff of KSSEM and KSSA donated blood. Total 380 units of blood were collected in a single day. Blood donated by a single person can save lives of four persons, since, red blood cells, white blood cells, platelets and plasma are separated and stored. Thus we are proud to announce that this noble act of blood collected at KSSEM would save lives of 1520 humans.

REPORT ON SWACCH BHARAT ABHIYAN AT LALBAGH

NSS Unit of KS School of Engineering and Management organised Awareness Programme on 'Swacha Bharat' and the 'responsible voting' by citizens in Lalbagh on 14th April 2018, Saturday on the eve of Birthday Celebration of Dr. B.R. Ambedkar.

Students put up street plays, sang group-songs and enacted mime to convey the need of maintaining clean environment and the need to vote in civic elections as responsible citizens of India.

Later, they also picked up the trash thrown in and around historically important monument, Kempegowda's one of four watch towers built in Bengaluru. Students collected about 15 full bags of trash and handed over to authorities for safe disposal and recycling.

A few staff members with their family also participated in the event. Sri.Rukmangada Doraswamy, treasurer of KSSEM also participated in the event and motivated the student community.

Dear Sir/Madam,

This is with reference to your on-line application for participation in the National Skill endeavor through the Pradhan Mantri Kaushal Vikas Yojna for Technical Institutions (PMKVY-TI) for Academic Year 2018-19.

The National Steering Committee in its meeting held on 09/08/2018 under the Chairmanship of Secretary (HE), MHRD has approved the list of AICTE approved institutes /Polytechnics to give training to youth in technical skills of NSQF under PMKVY-TI. The list of approved institutes along with approved Sectors and Specializations is uploaded on AICTE website at <https://www.aicte-india.org/sites/default/files/Final-List%20of%20PMKVY-TI%202018-19.PDF>

The Council is pleased to inform that your institute/ Polytechnic has also been selected to offer training under PMKVY-TI for the Academic Year 2018-19. You are requested to mobilize students for the recommended sector and specialization to give training under the scheme. The AICTE portal for uploading student details will be live from 15th September, 2018. The duration of training should be as prescribed by respective Sector Skill Council. The detailed instructions for institutes to upload student details on AICTE portal under PMKVY-TI is attached for your ready reference.

The User Manual and Guidelines of the scheme is uploaded on AICTE Website at https://www.aicte-india.org/schemes/other-schemes/pmkvy/pmkvy_2018-19

Your attention is drawn to changes/additions as has been introduced in the scheme. This has been published vide Corrigendum 1 and is applicable from PMKVY-TI 2018-19. The same may be accessed at www.aicte-india.org. The changes pertain to mandatory recording of attendance, maximum time limit for a course and post training placement.

In case of any further clarification please send a mail to : pmkvty-ti@aicte-india.org or call at 011-29581031-33.

Wishing you good luck for your successful journey in this National mission of developing skilled manpower.

Warm Regards,

The Principal / Director

Dear Sir/Madam,

Hon'ble Prime Minister has launched two phased Jal Shakti abhiyan, first phase spread over 1st July to 15th September 2019, and the second over 1st October to 30th Nov 2019. This Abhiyan focuses on 256 identified districts with 1592 blocks, of which 312 blocks are critical, highly water stressed areas as they are and in dire need of efficient water management system. Also Hon'ble Minister for Jal Shakti Shri Gajendra Sing Shekhawat, has instructed all the central Government institutions and universities to install borewell recharge structure immediately under this Abhiyan, so that rainwater can be efficiently channeled to recharge groundwater resource.

AICTE in close coordination with Office of Principal Scientific Advisor to the Government of India and Jal Shakti Ministry, is implementing this flagship Abhiyan. Jal Shakti Ministry has identified 5 major interventional areas for efficient water management system in country, for which AICTE has positioned Jal Shakti Abhiyan as a social internship for students under the "AICTE Activity point program" (defined in Chapter 6 of AICTE Internship policy). The students will earn credits depending upon hours /weeks they devoted under the Activity. Though this initiative is only for selected districts but every institution can participate in it, as water security is a universal issue. Needless to add that this national initiative needs tremendous support of our young and dynamic students and faculty.

Under this initiative your institute needs to submit data in AICTE web portal <http://www.drive.aicte-india.org/JalShaktiAbhiyan/> for Jal Shakti Abhiyan, after each project by students is completed. For the projects students can also work in teams and the efforts of the students shall be recognized and considered for AICTE commendations, PSA award, Jal Shakti Minister's Award and PM's Awards, based on the information uploaded on our portal.

Prof. Anil D. Sahasrabudhe

Jal Shakthi Abhiyan- Major interventional activities as a social internship for students of AICTE approved institutions.

Jal Shakthi Abhiyan is a time bound campaign with mission mode approach intended to improve condition in around 1500 blocks that are drought effected, water stressed or over exploited areas falling in 254 districts with water conservation related central program . Under this campaign we have selected **Garepalya village** which it located in Kanakapura taluk, Ramanagara district of Bangalore which has a total population of around 2000, living in 365 houses spread over 552 hectares. This village is found to be facing scarcity of water. With this regard educating the residents of that area is being important and hence under this we have conducted First phase of the Aabhiyan i.e., reconnaissance survey (identifying the ground or actual problem in the selected area) on 25th September 2019. Fifteen NSS active students along with four identified faculty visited the site.

Kankapura Road,
Bengaluru.

Sir,

Sub: Study of High Density Corridor- reg.
Ref: Meeting held on 23-09-2019.

With respect to the above subject and reference, these roads have been identified as High Density Corridor which sees maximum traffic movement and traffic snarls. (details enclosed)

- Kankapura Road
- Mysore Road
- Magadi Road
- Tumkur Road
- West of Chord Road
- Outer Ring Road

On behalf of Joint Commissioner of Police, Traffic, I request you to study the High Density Corridor traffic and suggest

- a) Short term
- b) Intermediary/ Medium term
- c) Long term

improvements, to help commuters travel smoothly and decrease their transit time.

Your report will be presented to the Government of Karnataka and all the faculty and the students involved will be given due recognition.

Short term improvements/suggestions may be based on these lines

- Junction Markings

- Signage – No Parking, Parking, U turn, Right turn, Left turn boards, School zone, Hump ahead, Directions board and speed limits boards.
- Pothole filling
- High raised pedestrian crossing
- Footpath encroachment
- Raising centre medians
- New median required.
- Shifting of transformers
- Shifting of Bus stops
- No parking Notifications
- Signal Timers
- Traffic Umbrellas

Inter mediate and Long term improvements may be

- 1) Sky wall construction.
- 2) Underpass construction etc.,
- 3) Acquiring land for constructions dormitory for private buses/ Lorries etc.

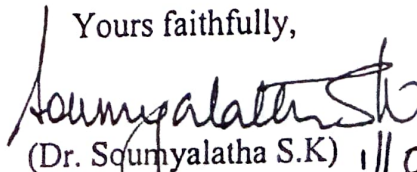

Kindly Note :

- a) The short improvement plan needs to be done within a month.
- b) The study needs to be done keeping. One standard guidelines by all the colleges.
- c) “Study group- Traffic Plan” A whatsapp group has be created, where opinions between different HOD’s/ Professor’s can be shared to come to a common consensus.
- d) Other than the HDC, CBD area improvements, area traffic planning, Junction improvements Plan and black spot analysis should also be under taken.
- e) Any details regarding Traffic density, accident details may be collected from Traffic Management Centre or local Police Station limits. Concerned Police Station Inspectors will coordinate the same.

Enclosures:

- 1) High Density Corridor List.
- 2) Proceedings of the meeting held on 23-09-2019

“FIT INDIA MOVEMENT” (a concise report)

On
29/08/2019

By

Principal Dr. Ramanarasimha K R
NSS Program Officer Dr. J Prashanth

Presented to

ವಿಶ್ವೇಶ್ವರಯ್ಯ ತಾಂತ್ರಿಕ ವಿಶ್ವವಿದ್ಯಾಲಯ, ಬೆಳಗಾವಿ
VISVESVARAYA TECHNOLOGICAL UNIVERSITY - BELAGAVI

FIT INDIA MOVEMENT

1. Introduction

Being healthy and fit in simple terms means taking good care of the body. We should remember that a healthy mind resides only in a healthy body. Good health of both mind and body helps one maintain the required energy level to achieve success in life. A healthy and fit person is capable of living the life to the fullest, without any major medical or physical issues. Being healthy is not only related to the physical well-being of a person, it also involves the mental stability or the internal peace of a person.

Health and fitness are the essential keys to a long, active and enjoyable life. It has been correctly stated that Health is the actual Wealth that a person can retain. Teachers at all levels have been assigning this topic to their students to enhance their knowledge about staying healthy and fit, and create awareness among others as well. It also results in the development of a healthy lifestyle amongst children. Students need to realize the importance of staying healthy and fit. Also, being the future generation, they can play a vital role in creating awareness and maintaining a stable health regime.

2. Addressing by the Prime minister

The Prime Minister of India Shri. Narendra Modi had announced the launch of the campaign during his monthly radio address, “Mann Ki Baat” on August 25 and had said he wanted to see his listeners fit and make them “fitness conscious”. He had indicated that the fitness programme will have fixed goals.

Shri Narendra Modi on Thursday the 29th of August 2019 launched a nation-wide Fit India Movement and urged people to become more aware of health and good life. Viewed as a huge health enthusiast himself, Prime Minister asked people to take the pledge for building a fitter India.

In connection with this University Grants Commission (UGC) had asked affiliated higher educational institutes to make arrangements for live viewing of the event by the students, faculty and staff. In this connection the Principal and management of KSSEM had taken care of making necessary arrangements for witnessing the launch of FIT INDIA MOVEMENT.

On 29.8.2019 at sharp 9.30 am, the students of NSS wing, KS School of Engineering and Management and few staff had gathered near audio-video room premises of the college hostel. At 9.45 am they entered the Audio-video room and were eagerly waiting for the commencement of the program. Photo 1.1 shows the students both gents and ladies seated inside the AV room.

Photo 1 Students gathered in the AV room

Addressing a large crowd of children who put up a grand show ahead of the launch at the Indira Gandhi Stadium Complex, Modi said: "We should make fitness our mantra for life." The 'Fit India Movement' has been organised to celebrate the 'National Sports Day' and the campaign aims to encourage people to inculcate physical activity and sports in their everyday lives, a statement said.

Ahead of the event launch, Minister of State (Independent Charge) Youth Affairs and Sports Kiren Rijiju welcomed the gathering and stated that tremendous supports are extended from all sections of the society to participate in the Fit India Movement. "Chief Ministers, corporates and many icons are taking amazing steps to make the programme a grand success."

3. Pledge taking by N.S.S. students of K.S.S.E.M.

Motivated by the words of Shri Narendra Modi, the students have arrived at the conclusion that "Healthy habits improve one's physical appearance, mental stability, and ability to perform activities in a much better way making a difference. Physical and

mental exercises help you lead a stress-free lifestyle, maintaining happy moods and high energy levels”. They also learnt that caring each individual’s health should be taken on as the topmost priority; no single day should be skipped for making efforts on maintaining physical and mental fitness. As being happy is directly related to boosting your mental strength and health, so happiness can be considered as the result as well as the part of a healthy and fit lifestyle. To stay fit, and built a “FIT INDIA” the NSS students of KSSEM Bengaluru have come forward in joining hands to make the “FIT INDIA MOVEMENT” a grand success.

On this occasion of the launch of “FIT INDIA MOVEMENT”, the students of KSSEM have taken a pledge that they will never miss out their fitness regime starting from today and also they would motivate their family members, relatives, friends and neighbours to stay fit and build a FIT INDIA.
