#### PROJECT PRESENTATION-2019

Project Exhibition 2019 was held on 20<sup>th</sup> May 2019 for UG and PG final semester students under student cell. Posters depict a clear view about the project work and also give scope for future work. Poster Presentation display minimum words, graphs, charts, table as a tool for communicating ideas which makes it colorful and presentable.

The best project was awarded by the reviewer Dr. Rajeeva, Professor, Dept. of Civil Engineering, SJBIT, Bangalore after the presentation for UG and PG projects.

The first prize was won by Kalden Dorjee, Ravi Kuamr S, Tejaswi Sangamitra and Ubaid Ahmed for their project titled " Design of Energy Efficient Building Envelope for Hot Dry Climates". Students performed this project under the Guidance of Dr. Vijayalakshi Akella, HOD, Dept. of Civil Engineering, KSSEM.

The second prize was won by Srinivas S V, Raghavendra B R, Muniraju G B And Shyla C for their project titled "Experimental Studies on the Application of Jute Geotextiles in Ground Improvement". Students performed this work under the guidance of Dr. Arekal Vijay, Professor, Dept. of Civil Engineering, KSSEM.

#### STUDENTS PARTICIPATION IN CONFERENCE-2019

Student cell encouraged students to participate in inter-college events as per the aim of the cell. With respect to this Haripreeth B M, Jagadeeshan Y, Kiran M and Pavan Kumar G D, Students of 8<sup>th</sup> Sem Civil, KSSEM presented a paper titled “Pedestrian Safety Management- A Case Study at KSIT College, Kanakapura Road, Bangalore”, under the guidance of Dr. Savitha B. G in a Conference “Prasthuthi- SAGARTECH -2k19” held on 28<sup>th</sup> and 29<sup>th</sup> April 2019 at Dayananda Sagar College of Engineering, Bangalore.

#### **ALUMNUS TALK 2018-19**

As a part of ARCVIL student cell, alumni interaction becomes important to the Department experience. Students see their possible futures through alumni, and alumni remember their pasts and what they experienced as students.

One such Alumnus who volunteered to talk to his juniors was **Mr. Agnimithra Murari**, presently pursuing MS in **Structural Engineering**, at **California State University** on 11-04-2019 from the batch of 2012-16. He mainly focused on:

1. Coursework perspective while doing Masters
2. Expenses
3. Job opportunities

#### ALUMNA TALK 2018-19

As a part of ARCVIL student cell, alumni interaction becomes important to the Department experience. Students see their possible futures through alumni, and alumni remember their pasts and what they experienced as students.

One such Alumna who was invited by the student cell was **Ms. Madhurya**, presently working as **Structural Engineer, ENSTRUCTRA COONSULTANTS** on 06-09-2018 from the batch of 2011-15. She mainly focused on scope of Women as Civil Engineers. She gave a glimpse of areas that women can really concentrate on in the field of construction such as:

1. Structural Design and Consultancy
2. Quantity Estimation
3. Planning of Projects
4. Geotechnical Consultant
5. Building/Industrial Drawings and Designs
