

K.S. School of Engineering and Management
Kanakapura Road, Bengaluru -560109
Department of Management Studies (MBA)
Session: 2021-22 (ODD Semester)
3rd Semester, MBA. Batch: 2020-22

REPORT ON WORKSHOP

Event name: Workshop

Topic: Usage of SPSS for Data Analysis

Date and time: Monday, March 21, 2022, 9:30 am

Targeted audience: 3rd semester MBA students & Faculty members

Resource Person: Dr. Tamizharasi, Associate Professor and Dean – R&D, RNS institute of Technology. Bengaluru.

Venue: Computer Lab, Department of Management Studies, KSSEM

Event Coordinator: Arundathi K L

The workshop on “**Usage of Statistical tools for Data Analysis**” was conducted for 3rd Sem MBA students and for all faculty members of MBA. 32 students and 7 faculty members participated in the session. Introduction about the session and Welcome speech was given by Ms. Nishchitha R Gowda.

Profile of the Guest speaker was read by Ms. Monika V.

The session was started by enquiring the specialization chosen by students and the resource person stressed on having a broader perspective of the title for the project/ freelance project. Students are asked to download 5 papers related to the topics finalized. Once after downloading the Empirical papers, Dr. Tamizharasi guided students to how to identify the variables and write the Review of Literature. Students were asked to identify the variables and write Literature Review of 1 paper. It was verified by the resource person and correction was done wherever it was necessary.

The resource person also briefed on how to collect the data and prepare the questionnaire. Sample data was shared with students to show analysis using SPSS. The various statistical

tools used were t- test, paired t - test, Z- test, Chi square, ANOVA, MANOVA were shown and guided to do in the SPSS software.

Hands-on session was given to students to gain broader perspective of the project and also inputs were given to convert Empirical project into Research paper for Journal publication.

There was active participation from students throughout the Session. Feedback was shared by few students. The session was concluded with Vote of thanks by Ms. Gaganashree.

LETTER OF APPRECIATION

March 21, 2022

Dear Dr.Tamizharasi,

Warm Greetings from K S School of Engineering and Management!

On behalf of Department of Management Studies, along with the entire KSSEM community and on my own behalf, I take this opportunity to extend gratitude filled thanks to you for visiting our campus to deliver a highly appreciated talk on the topic "Statistical application in project work". We are truly fortunate to have had someone of your expertise and credentials volunteering time from your busy schedule to share insights with our students and staff.

The inputs and examples were well received by the students. Your knowledge and the insights given to students was much appreciated.

It was a pleasure for all of us to meet you. We wish continued success for your all endeavours.

With kind regards,

Yours Sincerely,

HOD-MBA

DR. SHEKAR H S
Professor & HOD-MBA,
K.S. School of Engineering & Management,
