

DMS GUEST LECTURE REPORT

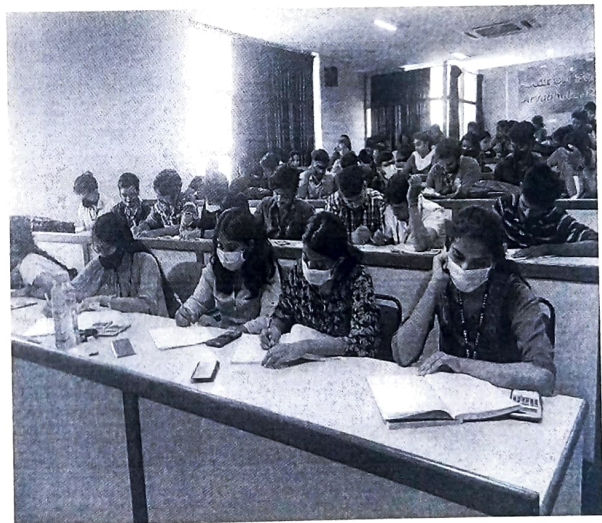

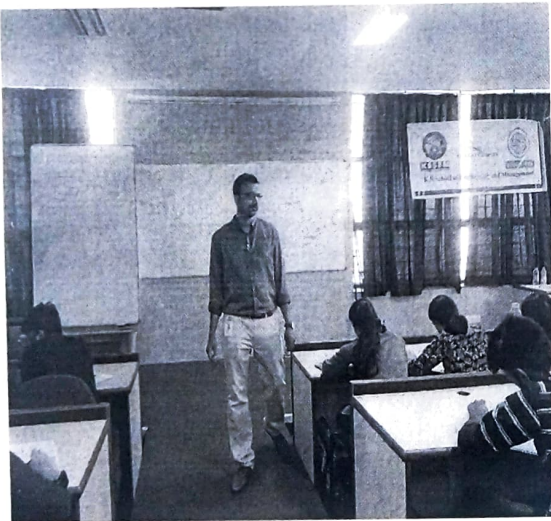

The Department of Computer Science and Engineering, KSSEM has conducted a guest lecture on “Discrete Mathematical Structures” on 6th and 7th April 2022 from 9:00 AM to 3:00 PM, for the students of 3rd Semester, CSE at Aryabhata Seminar Hall. The event was presided by Dr. K Venkat Rao, Head, Dept. of CSE, along with the speaker for the guest lecture Mr. Kushal Kumar B.N, Assistant Professor, KSIT Bengaluru.

The following topics were covered:

Module 4: The Principle of Inclusion and Exclusion

Module 5: Relations and Functions.

DAY 1 PHOTOS

DAY 2 PHOTOS

The expertise and experience in this field of work was an excellent addition to our programme. All students made the most use of the opportunity provided and were satisfied with the sessions.

Handwritten signature of the Head of Department (HOD).
