TECHNICAL TALK ON MACHINE LEARNING AND DATA SCIENCE

The Department of Computer Science and Business Systems department organized a Technical Talk on “Machine Learning and Data Science” on 10/02/2024 for 3rd semester students. The session was arranged to introduce the future job opportunities in the Machine Learning and Data Science and how students can start preparing to acquire skills enough to compete. Mr. Vinay M. Harista, Technical Director and Co-Founder, Vtricks Technologies was the resource person.

The event started with warm welcome and introduction of guest by Ms. Gayana, 3rd semester student. Prof. Ramesh Babu N, welcomed the guest and addressed the students. He told the importance of the session.

The resource person, in his talk, explained the different kinds of job opportunities available at different levels. He told the students to identify their interest and start preparing for the jobs by adding additional skills in their interested domain. The session was interesting and informative for the students. Students put various queries to the speaker and got cleared their doubts.

Ms. Jayashree L. K, Associate Professor, Department of CS & BS proposed the vote of thanks. Mr. Prashant Koparde, Assistant Professor, Dept. of CS & BS coordinated the session.
