GOAL SETTING AND PERSONALITY DEVELOPMENT

Department of Computer Science and Business Systems organized a seminar on “Goal Setting and Personality Development” on 05/06/2024.

Dr. Shekar H S Prof. and HOD for Department of MBA from RNS First Grade College took this special session and guided 2nd and 4th semester students from CS & BS Department.

Dr. Shekar educated students about How to recognize their interests in different technologies and after knowing their goal How to develop knowledge and personality on their goal in order to achieve it. He explains How important it is to set a Goal and how that goal is going to design students career, He also taught students about emerging technologies in the present day so that students can get brief idea to choose their Goal.

Ms. Jayashree L. K, Associate Professor, Department of CS & BS coordinated the event.
