Objectives:

- **To Develop Observation Skills:** Keen observation skills were required to identify HR resources, campus culture elements, and safety features.
- **Enhance Communication Skills:** Students interacted with various personnel across departments, practicing communication and interview techniques.
- **Foster Teamwork and Collaboration:** Completing tasks and creating a collage required teamwork and collaboration among participants.
- **Promote Interdepartmental Understanding:** Engaging with students from different departments broadens perspectives on campus life.

Summary:

The "HR Talent Hunt: Decoding the Campus Culture" was an engaging activity designed for MBA HR students. This competition challenged students to complete a series of tasks across the college campus within a stipulated timeframe. These tasks aimed to provide practical insights into various aspects of HR and campus life.

Tasks:

- **HR Resources Exploration:** Students visited the library to identify five HR-related books, documenting them with pictures and selfies.
- **Campus Culture Collage:** Through pictures and videos, students captured various aspects of the college culture, creating a visual collage.
- **Security Personnel Interaction:** Students interacted with the security personnel responsible for campus safety, taking a selfie for documentation.
- **Faculty Interview:** Students interviewed a faculty member from a different department, recording a video of their career journey discussion.
- **HR Technology Exploration:** Students visited the college IT department to inquire about the HR software used on campus.
- **HR Riddle Challenge:** Students located a known strict faculty member within the HR department, collecting a riddle to solve.
- **Safety Awareness:** Students located the nearest fire extinguisher on campus, taking a selfie for documentation.
- **Interdepartmental Collaboration:** Students interacted with students from at least three different departments, capturing their interactions in group pictures.

Benefits:

- **Experiential Learning:** This activity provided a break from theory, allowing students to learn through real-world experiences.
- **Networking Opportunities:** Interaction with faculty, security personnel, and students from other departments fosters networking opportunities.

- **Improved Communication Skills:** The activity honed communication skills through interviews, interaction with diverse individuals.
- **Teamwork & Collaboration:** Working together to complete tasks and create the collage strengthens teamwork and collaboration skills.
- **Campus Culture Awareness:** Students gained a deeper understanding of the college's culture and resources available to them.
