Report of Workshop Organized by
Department of MBA on 04-09-2024
Academic Year: 2023-24

TITLE OF THE PROGRAM: Internship & Placement Orientation

The whole idea behind the orientation was to play an important role by getting the best resource person in the market to address & help in shaping up the career goals of students. It is the dream of every student to get placed in top organizations. Keeping this key aspect into consideration, it is realized that building competencies is pivotal for the young talents to enhance their employability skills and achieve a good career path. Along with technical expertise, development of a holistic personality is also necessary. To meet these requirements, the orientation was scheduled.

OBJECTIVES OF THE PROGRAM:

1. To make students gain confidence for being employed in the competitive environment.
2. To recognize their core competencies.
3. To enhance their communication skills & soft skills.

OUTCOMES OF THE PROGRAMME:

An internship orientation can relieve the pressure of having to find a full-time job quickly and enable you to put your newly acquired knowledge and skills to use in a variety of real-world scenarios. As an alternative to just studying it theoretically, an internship or placement orientation can demonstrate to you how an organization cultivates leaders.
