REPORT

The ISR club activity of Visit to the orphanage was organized by the department keeping in mind the necessity of imparting value education to students of MBA. The whole idea was to provide them with basic daily needs of the children.

Student's volunteers took the first step by identifying the orphanage in the nearby vicinity and talking to the care taker and identifying the things that they are in need of. Students made a list of the same and communicated it their fellow mates. Each student realized the need and made contributions as per their ability and as a department we could collect a good number of items to be donated to the orphanage.

The day began with carrying all the things to the College bus and students along with a few faculty reached the venue by 11.45AM. The children there welcomed all of us with a big smile on their faces and locally grown flowers, our students along with those children indulged in

Dance, Singing, Fun Games, storytelling and so on. As it was an all-girls children's home, the students also gave them a small talk on Good touch, Bad touch, Hygiene, self-care and safety. They also educated them on how to behave with strangers and unknown people. Also the students gave them a brief idea on future educational options available in current days and various Govt. aided educational programs (Navodaya, Kittur School, Murarjee Desai etc), competitive exams and so on. As we were nearing the lunch time our students served them the food we had arranged and left the premises by 1.45 PM.

Total Collected amount:

1. Students - ₹3110

2. Teachers - ₹2250

Total amount collected: 5360

To these above amount we brought sanitary napkins, bulb, chocolates, fruits and even some students, teaching staff, and nonteaching staff contributed vegetables, biscuits, pulses, groceries and many more.
