“SELFIE MAINE LELI AAJ”

Event name: “Selfie Maine Leli Aaj”

Date of event: 20th September, 2024

Venue: Kalidasa Auditorium, Dept. of ECE, KSSEM

Targeted Audience: The students from Dept. of ECE

The department of Electronics and Communication Engineering, KSSEM, in association with IEEE KSSEM Student branch organized an event on, “Selfie Maine Leli Aaj” on 20th September 2024. The event was conducted by the IEEE student branch in the presence of Dr. Renuka V Tali, IEEE branch councilor with the authorization of the head of the department Dr. K Sentil Babu. The event was fulfilled activity organized by the student branch.

Discussion:

Introduction

The event was commenced on the gathering of the participants from all the departments of KSSEM. The gathering was addressed by R Dakshin the treasurer of the student branch. The event was the joy full activity which boosts the student energy. The rules and regulations were given to enroll in the Selfie Maine Leli Aaj activity.

The teams were formed in the group of three and each team selected the team captain. There were totally fourteen groups formed. The rules of the game were explained to the team captain by the student branch member.

Participation of the activity

The students of the entire branch participated enthusiastically in the game. After the rules were explained the game was to solve the riddle, find the answers and take the Selfie with the solved riddle. When the game was started all the teams rushed to find the riddle all over the campus. The riddles were easy and difficult to find. Where the given riddles was like to find the given longitude location and to go there and take the Selfie, other riddles was to take a Selfie with a bus and search the bike with the given area name. There were other riddles like the scientific name of the cat. The task was to find the cat and to take with that cat which seemed difficult as well as joy. The students were said to take the selfies with the solved riddles and send it to the provided numbers. The deadline for the game was also

provided that to complete the task within 3:00 PM. As the given timings the teams completed the task and submitted the photos. In this activity the teams enjoyed solving the riddles and finding the answers. The all the teams were super happy and excited to participate in such activities. At the end of the task there were two teams who secured top 2 places as winners and runners. The student branch also organized the prizes for the winners.

Prize distribution

At the end of the activity the IEEE branch councilor Dr. Renuka V Tali addressed few words about the active participation in the activity and also she appreciated the student branch members for organizing such wonderful activity. Later on the student branch members welcomed Dr. Girish V Attimarad and Mr. Sasidran M Prabhu to distribute the prizes for winners and runner ups. They addressed few words about the IEEE importance and the uses of IEEE. Later on the winners were announced, the winners of the Selfie Maine leli Aaj event was Shashank G Nayak from ECE department and Shashank A and Tejas J from AI&DS department they were rewarded with the movie tickets and the runner ups were Deeksha Kumari L, Divya B, E Pavithra from ECE department were awarded with exclusive IEEE goodies for each.

Conclusion:

The event “Selfie Maine Leli Aaj” was completed with the immense joy and happiness among the students. The active participation of students brought enthusiasm among the IEEE community. The event showcased the team coordination and understanding the task and solving with the team discussion. The activity attracted enthusiastic participants from various departments, making the competition highly engaging. The participants displayed remarkable creativity and teamwork throughout the event. The event was a resounding success, showcasing the talent and excitement within the IEEE community.
