BRIEF SUMMARY OF PROGRAM:

A mock interview is a practice interview that simulates a real job interview. The purpose of a mock interview is to help students get feedback on their performance so they can improve for their actual interview. The HR mock interview simulates a real interview scenario, allowing candidates to gain confidence, prepare for potential questions, and receive constructive feedback on their performance.

OBJECTIVES OF THE PROGRAM: The objectives of a mock interview are to help candidates prepare for a real interview by:

- Identifying weaknesses
- Teaching interview techniques
- Building confidence
- Practicing
- Simulating real conditions
- Practicing body language

OUTCOMES OF THE PROGRAMME:

By engaging in mock interviews, the students will be able to improve their interviewing skills; in addition, they will be able to receive feedback on how well they performed; also will be able to increase their confidence; and feel less stressed out as a result of doing so. The mock interview outcomes include:

- Identifying weaknesses
- Formulating answers
- Improving body language
- Practicing time management
