A session on “e-Resources for Future Managers” was held for MBA students on 19.12.2023. Librarian explained about the internship, articles, journals, volumes, issues and the reasons for doing literature review. Gave a glimpse on the VTU consortium databases. Exploring 212 journals using the Emerald database was demonstrated. Features like basic search, advanced search, saving searches, applying filters like newest to oldest, accessing full text, abstracts, downloads etc. were demonstrated.

Librarian demonstrated features of Knimbus – a remote access solution and mobile library app. Off-campus access using knimbus was explained. Students were asked to sign up for knimbus and the librarian will accept their requests.

Features of drill bit plagiarism checking software such as similarity reports and alerts were demonstrated. Instructed the students that their similarity reports should be less than 10%.

Webopac was explained to the students to search MBA related books, to access previous year project reports and question papers.
