Report on

International Women's Day Celebration

A grand celebration was organised to celebrate International Women's Day on 11th of March 2024 in Architecture Seminar Hall, KSSEM, Bangalore at 10:00 AM by IEEE Student Branch. All the women employees working in KSSEM of various departments were invited to join the program.

On the same occasion, the guest of honour, Dr Shilpa, Gynaecologist (Blooms Clinic) shared her tales of struggle and success. Further she discussed about the Cervical Cancer that usually occurs in women. **Cervical cancer** is a type of cancer that originates in the **cervix**, which is the lower part of the uterus. Human papillomavirus infection (HPV infection) is caused by a DNA virus from the Papillomaviridae family. Many HPV infections cause no symptoms and 90% resolve spontaneously within two years. In some cases, an HPV infection persists and results in either warts or precancerous lesions

Dr. Vijayalakshmi Akella, Professor & Head, Dept. of Civil Engineering graced the occasion, and addressed the attendees. She expressed the belief that everyone should celebrate every day as women's day and acknowledged the role of men behind every successful women and vice versa. She conveyed that there should be a balance between career and family and that without family support, women cannot achieve success.

The KSSEM IEEE Student branch organised fun activities for all the staff who participated in the events and distributed the prizes to the winners. Sweets and snacks were distributed for all the participants.
