**DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE**

Department of Artificial Intelligence and Data Science organized a Expert talk on “**Ace Your Job Interview : Expert Tips from the IT Industry**” for VII Semester students.

### **Expert talk Objectives:**

The seminar titled “Ace Your Job Interview: Expert Tips from the IT Industry” aims to prepare final year students for successful job interviews in the IT sector. It will provide crucial insights into technical and behavioral interview techniques, industry expectations, and best practices for resume and application preparation. Students will also learn how to effectively research and tailor their approach to specific companies and roles, and receive guidance on handling common interview challenges and questions. By the end of the seminar, students will be better equipped to excel in campus placements and secure positions in the IT industry.

### **Resource Person:**

Mrs Geetha Narayana Murthy has bachelor’s degree in the field of computer science from SJCIT College. She has 20 years of experience in project, product and program management. She has worked as tech lead in Keane India pvt ltd. She was Manager BI & Analytics intelligence vertical lead in Hibu India Pvt ltd. She has served as principle consultant and project manager in wipro technologies pvt ltd. At present she is working in shell India market pvt ltd as senior product line manager, data analytics on azure platform. She has several certifications in the field of AI and data analytics and has received various awards and recognition.

### **Feedback:**

Feedback from students’ is positive.
