Objective:

1. Increased awareness among students and professionals about environmental challenges and sustainability practices.
2. Enhanced understanding of corporate social responsibility (CSR) and its role in environmental conservation.
3. Encouragement for participants to adopt and promote eco-friendly habits in daily and professional life.
4. Inspiration to initiate or support sustainability-focused projects and innovations within academic and industrial settings.
5. Strengthened collaboration between KSSEM MBA and Sansera Engineering in promoting green initiatives.

Session Overview:

Sansera Engineering:

On June 5th, 2025, Sansera Engineering hosted a World Environment Day celebration in collaboration with KSSEM MBA students. The event commenced at 10:30 AM with the arrival of participants.

Keynote Addresses

Dr. Narayanappa, Joint Director of Factories, delivered an insightful address on ozone depletion, the importance of using less hazardous chemicals in factories, and their environmental impact. Dr. Swamy D R, Director, and Plant Head Anand emphasized the significance of environmental protection and preservation.

Activities

The participants engaged in a plantation drive within the factory premises, planting saplings to promote sustainability. A snacks and tea break followed, providing an opportunity for networking. The event concluded with a visit to the garden and domestic animals maintained by Sansera.

Bosch Ltd:

A World Environment Day celebration was organized at Sheshagirihalli Lake, jointly hosted by Bosch and KSSEM MBA. The event commenced with participants arriving at the lake premises by 10:30 AM.

The formal program was inaugurated, followed by a plant plantation activity within the lake premises. The plantation drive was conducted collaboratively by Bosch and KSSEM MBA students, highlighting the importance of environmental conservation.

After the plantation drive, refreshments were served, providing an opportunity for participants to network and relax.

Feedback:

The event successfully raised awareness about environmental sustainability and promoted eco-friendly practices, community engagement, emphasizing the significance of preserving natural resources among the participants. The collaboration between Industries- Sansera Engineering and Bosch Ltd along with KSSEM MBA students fostered a sense of responsibility and commitment towards protecting the environment.

Acknowledgments:

The organizing committee would like to extend their sincere gratitude to the following individuals and organizations for their contributions to the successful World Environment Day celebration:

- Sansera Engineering ltd and Bosch for hosting the event and providing facilities for the plantation drive.
- Dr. Swamy D R, Director, and Plant Head Anand for their keynote address on environmental protection.
- Dr. Narayanappa, Joint Director of Factories, for delivering an insightful address on environmental sustainability.
- KSSEM MBA 2nd sem students for their active participation and enthusiasm.
- All participants for their valuable contributions to the event.

The support and involvement of these individuals and organizations were instrumental in making the event a success.
