COMMEMORATIVE EVENTS

2022-23

K S SCHOOL OF ENGINEERING AND MANAGEMENT

15, Mallasandra, Off.Kanakapura Road,
Bengaluru-560109, Karnataka, INDIA.

KSSEM has a very enviable learning environment with a very good staff- student relationship along with plenty of opportunities to develop through professional bodies and clubs. The activities conducted by professional bodies and club, harp on the development of personality and character of each of our students. Our academic standards continue to stay tuned with the improvements made by our affiliating university that ensures the success of our graduates in an ever changing world.

This institution is governed by a group of dedicated philanthropists who give a considerable amount of their valuable time to run this institution. The Management is ably supported by an Academic Advisory Board that consists of former Vice Chancellors, reputed academicians and industrialists. The institution has a philosophy of mentoring and nurturing students on a one to one concept where the students get more personal attention and guidance. Helping them succeed in their career pursuit.

KSSEM is committed to provide holistic education and believes in the overall development of its students who are transformed into ethical professionals with a flair for serving the society. It imbibes in its students certain value systems that will take them high in their professional careers. It is a community of pro-active students with ambitious dreams. A dream of a bright future. A dream of a successful life. The institute prides itself in imparting value added education by laying a strong foundation for the holistic growth of student community. In this regards the institute celebrates national and international commemorative days, events and festivals.

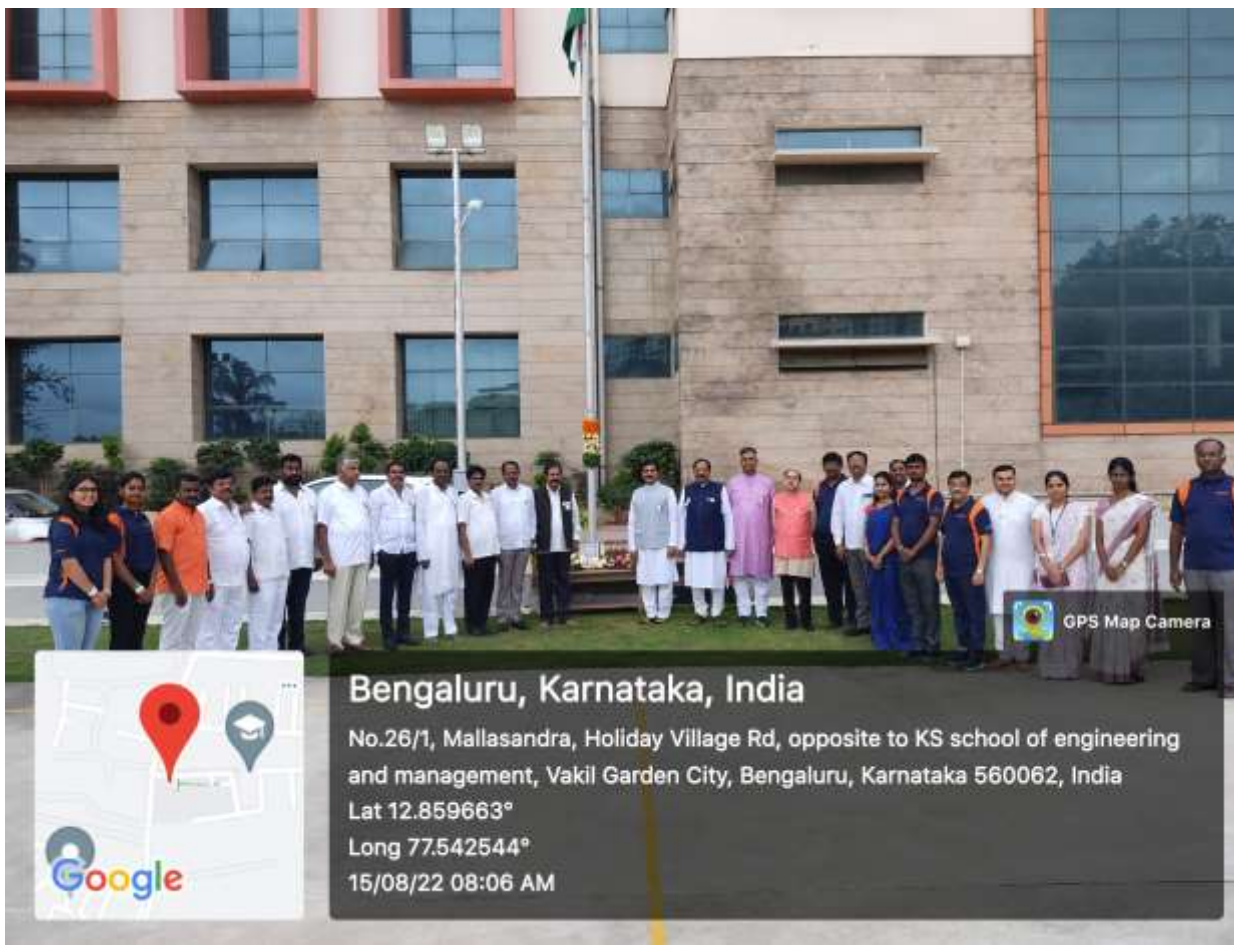

The brief report of the activities conducted for the year 2022-23 is given below:

International Women's Day

Womens day celebration is organized on 8th March 2023 in Civil Auditorium, KSSEM under IEEE student branch. All the women employees working in KSSEM of various departments were invited to join the program.

The Guest of Honor, Ms. M K Priya shared her tales of struggle and success. Further she said gender equality is very important for a healthy society. The milestone to be reached is the basic information for a girl child in every family. Education creates awareness among the society which will further result in overall development of nation and its community.

Dr. Vijayalakshmi Akella, Professor & Head, Department of Civil Engineering graced the occasion, and addressed the attendees. She expressed the belief that everyone should celebrate every day as women's day and acknowledged the role of men behind every successful

women and vice-versa. She conveyed that there should be a balance between career and family and that without family support, a women cannot achieve success.

Women's Day Celebration

The World Environment Day

On 5th June 2023, an environmental awareness was campaigned to create awareness about environment and its protection. Sri Punati Sridhar was the Chief Guest for the occasion. Ceremonial planting sampling in the college campus was taken up the Chief Guest, Management, CEO KSGI, HOD, Department of Civil Engineering and NSS Officer and staff of KSSEM. The event started with the welcome address by Dr Vijayalakshmi Akella, HOD, Civil Dept, followed by address by Chief Guest and Management. The Chief Guest emphasized that the lakes are being encroached and the habitat of wildlife is destroyed; ecological equilibrium is broken by human action and raising pollution levels is ecological imbalances and raising the temperature levels.

All the speakers highlighted about the rise in atmospheric temperature and deteriorating quality of environment, and emphasized on various protective actions at individual, as well as

community level to protect environment from further deterioration by growing more trees and also briefed about the contributions of NGO Bamboo Society of India.

Following the address by the speakers, a skit was performed by Civil Engineering students and NSS students. The environment awareness meeting was concluded with a vote of thanks by Dr. Arekal Vijay. The world Environment Day celebrations were concluded with the National Anthem.

The World Environment Day

Yoga Day

NSS Cell and Department of Management Studies, KSSEM celebrated 9th International Yoga Day on 21st June 2023. Fitness and Yoga Club conducted various activities in order to observe International Yoga Day - 2023 for the students. Every year International Yoga Day is celebrated on June 21 worldwide. It serves as a platform to raise awareness about the numerous benefits of yoga and promote its holistic approach to physical, mental, and spiritual well-being. The concept of International Yoga Day was introduced by Prime Minister Narendra Modi during his 2014 address to the United Nations General Assembly. This year, the theme for International Yoga Day 2023 is 'Yoga for Vasudhaiva Kutumbakam', effectively encapsulating our collective aspiration for 'One Earth, One Family, and One Future'.

Various Activities Conducted to observe International Yoga Day:

1. Yoga and Pranayama Exercises.
2. Yoga competition-3 mandatory asanas and two asanas of their own choice.
3. Yoga Quiz in google form for 15 minutes.

Apart from the above mentioned events many other events were also organized in the institution across various departments. The list of events is attached in Annexure.
