This is to certify that Miss Nida Manzoor Teli has successfully completed her Technical Training / Internship in the field of Civil Engineering. The training was for a period of four (4) weeks in which she was given training for the following

- Introduction to basic principles of Civil Engineering related to site work.
- Basic principles of civil engineering design
- Operation and execution of site works
- Quality Check and controlling site work

During her internship, Nida Manzoor demonstrated excellent skills and knowledge in the field of civil engineering. She performed various tasks with accuracy and efficiency. She also applied the theoretical concepts and methods that she learned in her academic studies.

Nida was a valuable and reliable member of our team who showed initiative and enthusiasm in her work. She communicated well with her supervisor, colleagues, and clients, and delivered high-quality results within the given deadlines. She also received positive feedback from the project managers and stakeholders for her performance and professionalism.

We are very pleased with the outcome of her internship and the benefits that she brought to our organization. We believe that she has great potential and capabilities as a civil engineer. We wish her all the best for her future endeavors.

Dear Student,

We would like to congratulate you on being selected for the **UI/UX Design** Internship position with **Varcons Technologies**, effective Start Date **11th August, 2023**. All of us are excited about this opportunity provided to you!

This internship is viewed as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts of **UI/UX Design** through hands-on application of the knowledge you learn while you train with the senior developers. You will be bound to follow the rules and regulations of the company during your internship duration.

Again, congratulations and we look forward to working with you!
