WEB OPAC

The screenshot displays a web OPAC interface for K.S. School of Engineering and Management. The browser address bar shows '202.62.79.52/opac/GenSearch.aspx'. The page header includes the school's name and 'Library and Information Center'. A navigation menu contains links for Home, Search, Facilities, Services, Instructions, E-Resources, E-Learning, Staff Info, Gallery, and My Page. The main content area is divided into two sections: 'Advanced Search Options' on the left and 'Search Results' on the right. The search results list six entries for the book 'Computer fundamentals and programming in C' by Thareja, Reema, published in 2016. Each entry includes its ID, title, author, call number, year/edition, and status, along with options to download or reserve the book. The search criteria used were 'computer fundamentals' under the title field.
