Stony Brook University

Dear Prajwal Gowda Mohan Kumar,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Computer Engineering MS for Spring 2025. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid ([FAFSA](#)).

Please accept or decline your admission offer via the [decision reply form](#). Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: December 15, 2024

Please note that you will need your Stony Brook ID 116847162 for all inquiries, including email correspondence. You will need this ID to access [SOLAR](#), Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

An "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Computer Engineering MS

Celia Marshik, Ph.D.
Dean of the Graduate School
Professor of English

Admissions Enrollment Checklist

Follow the checklist below to secure your enrollment:

- Additional information regarding enrollment may be sent by your academic department.
- Confirm your enrollment in the Stony Brook Applicant Portal.
- If you are a US citizen or permanent resident, be sure to file the Free Application for Federal Student Aid (FAFSA) as soon as possible. You can complete this form on-line at www.fafsa.ed.gov. Stony Brook University's federal school code is 002838.
- For information regarding tuition and fees, please visit Student Financial Services at <https://www.stonybrook.edu/commcms/bursar/index.php>.
- If you are seeking on-campus housing, you may pay your housing deposit through SOLAR. Paying the housing deposit in SOLAR does not require matriculation nor NetID. Additional information regarding deadlines and on-campus housing can be found at https://www.stonybrook.edu/commcms/studentaffairs/res/housing/new_student_housing
- For assistance with off-campus housing, please contact the Office of Commuter Student Services and Off-Campus Living at commuterservices@stonybrook.edu or visit <https://www.stonybrook.edu/commcms/studentaffairs/css/Renting-Off-Campus/>.
- If you are an international student, you will soon receive your I-20 information and DS-2019 with specific details about your immigration documents from Visa and Immigration Services (<https://www.stonybrook.edu/commcms/visa/>).
- For information regarding immunization and health records, visit Immunization Requirements | Student Health Services (stonybrook.edu) Failure to adhere to or complete either of these requirements will lead to registration implications.
- Arrange for [final official transcripts](#), including current semester grades and degree earned (if applicable), to be sent to the Graduate School Office of Admissions and Student Services to the address below. E-transcripts may be sent to gradadmissions@stonybrook.edu

Dear Ms. Shraddha Meduri Kishore,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Spring 2024 semester to the degree of Masters of Science in Computer Science & Engineering.

This letter constitutes a recommendation of admission only. **We are unable to offer you any funding for the cost of your attendance at the University at Buffalo.** Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science & Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Sincerely,

Kemper Lewis, PhD, MBA
Dean, School of Engineering and Applied Sciences
University at Buffalo

Immunization requirements:

In accordance with New York State Public Health Law, UB requires that all students (undergraduate, graduate, professional) born on or after January 1, 1957 provide proof of immunity against measles, mumps, and rubella. The state also requires that all students receive information about meningococcal disease and have made an informed decision about whether or not to receive immunization against meningococcal disease. UB students will not be allowed to register for classes until they have fulfilled these requirements. To learn more, visit <http://bit.ly/32kTA2Q>

Additional requirements for International applicants:

Upon final approval of your credentials in the Office of International Admissions, your I-20, along with information on housing and other appropriate items, will be sent to you directly from the Office of International Admissions. This process will take approximately one month after you have notified us of your acceptance of our offer; please note your application will not be forwarded to International Admissions until we receive your response.

This offer of admission is considered provisional until receipt of an official undergraduate transcript confirming your undergraduate degree conferral. The Office of International Admissions will provide you with instructions for sending these documents to the University at Buffalo.
