INSTRUCTIONS TO PAPER SETTERS FOR THE PREPARATION OF SCHEME AND SOLUTIONS

1. The objective of preparation of scheme and solution is to ensure a uniform valuation among valuers.
 2. The scheme and solutions should be legibly hand written in black ink, so that it could be Xeroxed and distributed.
 3. A scheme & Solution does not mean the splitting of final marks into its component parts (example 2+2+4+2). It has to be clearly showed the expected answers / response for each component. **(In case the questions are of descriptive nature, the solutions should contain salient / important points or answer).**
 4. A scheme and solution which merely shows the component marks are liable to be rejected.
 5. The extent of solutions should not exceed the enclosed four pages / sheets and should only indicate the expected important points / steps / graphs / drawings / circuits / figures / calculations / tables and final numerical answers, along with the mark's allocation for each of these.
 6. Please bear in mind that the students have to complete the answers within 3 hrs and answer five full questions.
 7. The allocation of marks shall be an indicator, for the students, for the extent of answers expected.
 8. Marks could be allocated for step-wise development of concepts / answers / figures / circuits / graph / flow diagrams / block diagrams, giving due importance or weightage for factors like neatness / exactness / accuracy in numerical values / units / calculations.
 9. The figures / drawings and views / circuits diagrams that are part of answers shall also be given in the solutions to ensure that the same is being uniformly evaluated by all the examiners.
 10. **Answers shall not be in the form of references / citations where author's name / title of the book / chapter numbers / page numbers / paragraphs / figures etc. are indicated.**
- **All Questions should be marked with corresponding Course Outcome, Blooms Learning Level and Performance Indicator along with marks as per the model question paper enclosed**
 - In case of any queries please contact **Dr. William Thomas, BOE Coordinator, Cell No: +91 98869 07997**
 - In case you are unable to accept the assignment, please return all enclosures to the undersigned.

Thanking you

Yours Sincerely
