

K. S. SCHOOL OF ENGINEERING AND MANAGEMENT

Department of Mechanical Engineering

Workshop Practice

DO's

- Students should wear proper attire while in the laboratory (College uniform and shoes).
- Keep the laboratory tidy and maintain silence.
- Clean the instruments after the experiment.
- Complete the calculations and graphs in the observation book pertaining to the experiment and get the signature from the faculty in-charge in the same class.
- Submit the laboratory record before starting the new experiment.
- Maintain decorum in the laboratory.
- Utmost importance should be given for safety.
- In case of fire, move out of laboratory immediately.

DONT's

- Conducting the experiments/operating the equipment on your own (without the knowledge of the concerned staff)
- Hesitating in getting doubts cleared
- Misusing the equipment / tools / instruments
- Using Mobile Phones in the lab

Professor & Head
Department Of Mechanical Engineering
K.S. Group Of Institutions

Material Testing Lab

DO's

- Students should wear proper attire while in the laboratory (College uniform and shoes).
- Keep the laboratory tidy and maintain silence.
- Clean the instruments after the experiment.
- Complete the calculations and graphs in the observation book pertaining to the experiment and get the signature from the faculty in-charge in the same class.
- Submit the laboratory record before starting the new experiment.
- Maintain decorum in the laboratory.
- Utmost importance should be given for safety.
- In case of fire, move out of laboratory immediately.

DONT's

- Conducting the experiments/operating the equipment on your own (without the knowledge of the concerned staff)
- Hesitating in getting doubts cleared
- Misusing the equipment / tools / instruments
- Using Mobile Phones in the lab

Mechanical Measurements and Metrology Lab

DO's

- Students should wear proper attire while in the laboratory (College uniform and shoes).
- Keep the laboratory tidy and maintain silence.
- Clean the instruments after the experiment.
- Complete the calculations and graphs in the observation book pertaining to the experiment and get the signature from the faculty in-charge in the same class.
- Submit the laboratory record before starting the new experiment.
- Maintain decorum in the laboratory.
- Utmost importance should be given for safety.
- In case of fire, move out of laboratory immediately.

DONT's

- Conducting the experiments/operating the equipment on your own (without the knowledge of the concerned staff)
- Hesitating in getting doubts cleared
- Misusing the equipment / tools / instruments
- Using Mobile Phones in the lab

Machine shop

DO's

- Students should wear proper attire while in the laboratory (College uniform and shoes).
- Keep the laboratory tidy and maintain silence.
- Clean the instruments after the experiment.
- Complete the calculations and graphs in the observation book pertaining to the experiment and get the signature from the faculty in-charge in the same class.
- Submit the laboratory record before starting the new experiment.
- Maintain decorum in the laboratory.
- Utmost importance should be given for safety.
- In case of fire, move out of laboratory immediately.

DONT's

- Conducting the experiments/operating the equipment on your own (without the knowledge of the concerned staff)
- Hesitating in getting doubts cleared
- Misusing the equipment / tools / instruments
- Using Mobile Phones in the lab
