**Four Day Work Shop on PCB Design using Multisim Tools
in association with VI Solutions, Bengaluru
(from 16-08-2017 to 19-08-2017)**

The Program was inaugurated by Chief Guest Mr. Sunil Kambe CEO VI Solution, Dr. Girish V. Attimarad, Professor & Head, Department of ECE, KSSEM coordinated by Dr. Karthik P, Professor, Department of ECE, KSSEM and supported by all the faculty members of the department.

The program offered an intensive hands-on experience on design of electronic circuits using MULTISIM Tool from National Instruments. The program focused to familiarize students to learn the virtual lab concept in electronic circuit design and develop a PCB design out of it. The program helped the students of 2nd year and 3rd year to develop Projects right from Design It was an extremely successful event of the department.

To

The Principal

KSSEM, Bangalore - 109.

Respected Sir,

Subject: Request to Conduct Workshop on Multisim for PCB Designing regards.

We have planned to conduct workshop on PCB Designing using Multisim Software for our students of 3rd Semester and 5th semester from 16-08-17 to 19-08/17 for each section one day, this which will help them to do get more practical exposure to do projects by their own. In connection to this we wanted to collect Rs.175 from each students of 3rd Semester and Rs. 200 from each students of 5th Semester students for the resource person charges, expenses as well certificate printing.

So I kindly request you to permit us for the conduction of the above said event as well to collect money.

Thanking You
